# Askoll ROBOFORMULA

A revolutionary product  
that takes care of your aquarium  
365 days a year.

The result of 2 years of research  
aimed at achieving the perfect  
aquarium.

**Forever.**

- CRYSTAL CLEAR WATER
- HEALTHY PLANTS
- NO MORE ALGAE

Askoll FORMULA AZURE is a treatment that stimulates nature to carry out its vital processes.

**It works using a disposable cartridge that is extremely easy to replace!**

---

# Askoll ROBOFORMULA

- The dispenser **automatically releases** the treatment based on the size of the aquarium
- It can be installed in **any brand or model** of fresh water aquarium
- It is used exclusively with **Askoll FORMULA AZURE** cartridges
- **It works well both on its own** and in combination with other treatments (CO<sub>2</sub>, bio-conditioners...)

# IDEAL FOR NEW AQUARIUMS

Initially

During treatment

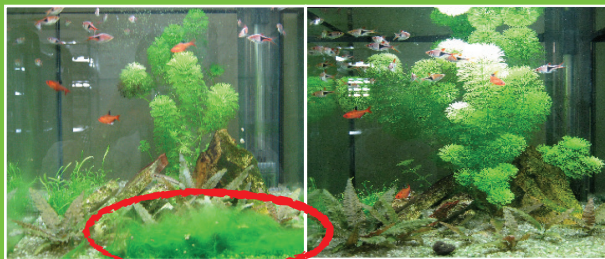

Biological tests show how aquariums treated with **Askoll FORMULA AZURE** from the outset remain healthy over time:

- **Stimulates** plant **growth**
- **Combats** the proliferation of algae
- Makes the water **crystal clear**
- **Prevents** the onset of common problems associated with new aquariums

## ALSO SUITABLE FOR ESTABLISHED AQUARIUMS

Before

After

- **Stimulates plant growth** and reduces the presence of algae
- **Also works in aquariums with no plants**
- **Simplifies** maintenance tasks

**For an aquarium that is always  
clear and beautiful!**
